

WKD 2019 Report

Name: **SKIRGES NGUGI**

Organization name: **KENYA RENAL ASSOCIATION**

Country: **KENYA**

Number of events organized/collected in your country: **15**

We had screening centers and walks in Agakhan hospital, Nairobi hospital, MP Shah hospital, Metropolitan Hospital, Ladnan hospital, Gertrude children hospital, Kenyatta National hospital, Nairobi west hospital, Moi Training and referral hospital, Kakamega county, Nyeri county, Gatundu level 5 hospital, Makueni county and Garissa county.

Activities of note

We had a major kidney walk in the capital city and later gathered at Kenyatta national hospital where we conducted free screening and hosted among many senior government officials, politicians, nephrologist, doctors, nephrology nurses, kidney patients and their families, general public including school children and the media where we had talks and free kidney screening. We also had other kidney walks and screening centers in different parts of the country. In Total we managed to screen 3826 persons for free. Here is a link to some of the pictures: -
