

WKD 2021 Report

Name: Usama Alanan

Organization name: Tishreen University

Country: Syria

Number of events organized/collected in your country: 3

Activities of note (please give a brief description of the activity with links to online sources that mentioned it):

On the occasion of World Kidney Day, which has been organized periodically since 2006, and desiring to revitalize and activate the participation of our Syrian scientific institutions in the global scientific activity, we have been coordinating and preparing to share this day about some new things in Nephrology. Coordination was also made with the organizer of the global event, where the event of Tishreen University Hospital was registered on the global site www.worldkidneyday.org

An event for this scientific day was held in the presence of Assistant Minister of Higher Education for Scientific Affairs, Dr. Hassan Jabbah Ji, and in the kind patronage of the President of Tishreen University, Professor Bassam Hassan, and the Head of the Higher Education Office at Tishreen University Branch of the Arab Socialist Baath Party, Comrade George Asper, and the Colleague Youssef Shaheen, Head of the Office of The National Union of Syrian Students at Tishreen University .

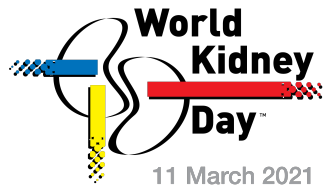

A large number of professors at the College of Medicine and graduate students attended.

The titles of the lectures presented were as follows:

- Introducing the world kidney day and KDIGO
- New in the management of hypertension in patients with chronic kidney disease (KDIGO 2021)
- New in the management of diabetes in patients with chronic kidney disease (KDIGO 2020)
- New in the management of anemia in patients with chronic renal disease (KDIGO 2020)
- Acute Kidney Injury in patients with Covid-19
- New in kidney biomarkers) AKI)
- New in kidney biomarkers) CKD)
- Statistics of the Division of Nephrology in teshreen university hospetal for the year 2020
- Discussion session

List of media that published WKD press releases or mentioned WKD related activities (newspapers, magazines, online publications, TV, radio, etc..) – please provide link to online sources:

- <https://www.facebook.com/1226212620797016/posts/3807662655985320/>
