Number of events organized/collected in your country: 1

Activities of note (please give a brief description of the activity with links to online sources that mentioned it):

The WKRU was engaged in online awareness (@TheWKRU). We retweeted all the WKD campaign tweets. Some of our members were involved with the Kidney Research UK campaign and were very active on Twitter and Instagram. We also supported the messages of local charities (Kidney Wales and Popham Kidney Support) and participated in the #showyourkidney campaign.
